

## Sponsorship of Wes-Tex RC&D

For the past eleven years, members of the Wes-Tex Resource Conservation and Development Area, Inc. have contributed to the well-being of communities, families and the natural resources in our sixteen-county area. From the establishment of our Gifts for Growth program, donations of printers to local schools, to the use of the Matching Grant program for community improvement, Wes-Tex RC&D sponsors continue to make a positive difference.

Each day our communities face a growing number of challenges. Wes-Tex RC&D projects, programs and our role as volunteers are needed now more than ever.

To follow is a request for sponsorship. It is my sincere hope that you will choose to support our great mission.

Thank you in advance for your generosity, dedication and commitment toward the citizens and natural resources of West Texas.
